[H. R. 12379.]  
[Public, No. 394.]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the consent of Congress is granted to Howard Seabury to construct, maintain, and operate, at a point suitable to the interests of navigation, a dam for the purpose of retaining tidal waters in an unnamed cove which is situated and extends from Cases Inlet into section 28, township 21 north, range 1 west, Willamette meridian, in Pierce County, State of Washington. Work shall not be commenced on such dam until the plans therefor, including plans for all accessory works, are submitted to and approved by the Secretary of War and the Chief of Engineers, who may impose such conditions and stipulations as they deem necessary to protect the interests of the United States, which may include the condition that Howard Seabury shall construct, maintain, and operate, in connection with such dam, and without expense to the United States, a lock, boom, sluice, or any other structure or structures which the Secretary of War and the Chief of Engineers at any time may deem necessary in the interests of navigation, in accordance with such plans as they may approve. This Act shall not be construed to authorize the use of such dam to develop water power or to generate hydroelectric energy.

Cases Inlet, Wash.  
Howard Seabury  
may construct dam for  
retaining tidal waters  
in cove extending from.

Plans, etc., subject to  
approval of Secretary  
of War.
